

We will be hosting the annual Planting Event on **Wed. April 20th, 2016 at 6:00 pm**. This is our Fourth annual "Planting Party" at **Anton's Greenhouse 9140 Cooper Rd, Pleasant Prairie, WI**. Come for a fun night, learn about plants and create your own beautiful planter. You can even bring a bottle of wine along or a beer or two!

New this year - We're expanding it beyond Tempo Members! Please invite a friend who enjoys gardening or would like to know more about Tempo Kenosha to join you!

Anton's will care for your plants and store them for several weeks in the greenhouse. All planters must be picked up by Memorial Day.

Costs are based on total pot(s) size (not number of pots) and of course, the cost of your plants. Pot sizes: 0 - 36" = \$15.00 / 37" - 72" = \$20 (i.e. 3 pots that total 10" in size = \$15)

Come for a fun night and play in the dirt!

Space is limited. Please RSVP by April 18th to tempokenosha@gmail.com.

You may pay the night of the event - directly to Anton's. Hope to see you there!

Not a member??? Never too late to join - www.tempokenosha.com
